

Certification of Translation

Excellence for Global Growth

Excel Translations, Inc. issues this certification of translation to the company named above, after completing the following project:

Project Number	
Description	
Source	
Target	

Excel Translations, Inc. certifies the final translation delivered to be substantially true, complete and accurate to the source-language original received, as well as compliant with the client's requirements and instructions communicated to Excel Translations at the onset or during the course of the project.

By issuing this Certificate, Excel Translations, Inc. certifies that the linguistic and other language management services that are performed as part of the project described above have been carried out in accordance with the requirements of the quality standards listed below.

Excel Translations' registrar is BSI, a leading business services provider for organizations worldwide, offering a range of services in management system certification, product testing and certification, and standardization. BSI operates in a range of sectors as diverse as building and construction, medical devices and aerospace. For more information, go to: <http://www.bsiamerica.com/en-us/>
